THE CROSSING

A MASTER PLANNED COMMUNITY

This DECLARATION OF COVENANTS, RESTRICTIONS, CONDITIONS, ASSESSMENTS, CHARGES, SERVITUDES, LIENS, RESERVATIONS AND EASEMENTS FOR THE CROSSING, hereinafter referred to as the "Declaration," is made on the ___ day of _____, 2007, by WERNER-TAYLOR LAND & DEVELOPMENT, L.P., a Texas limited partnership ("WERNER-TAYLOR"), LARRY J. TAYLOR and wife, SANDRA C. TAYLOR ("TAYLOR"), and WERNER, TAYLOR & WERNER, LLC, a Texas limited liability company ("WTW"), hereinafter collectively referred to as "Declarant."

WITNESSETH:

WHEREAS, Declarant owns the 172.446 acres, more or less, of real property described on Exhibit "A" which is attached hereto and incorporated herein for all purposes, hereafter referred to as "THE CROSSING," which is to be developed as a master planned commercial and residential community;

WHEREAS, in order to enable Declarant to implement a general plan of development and accomplish the development of the Land as part of a commercial and residential master planned community of high quality and standards in a consistent manner with continuity and to insure the creation of an architecturally harmonious development, Declarant desires to subject the Land to the covenants, conditions, assessments, charges, servitudes, liens, reservations and easements hereinafter set forth herein collectively called the "Covenants;"

NOW, THEREFORE, Declarant hereby declares that the Land shall be held, sold and conveyed subject to the Covenants, which shall be deemed as covenants running with the land and imposed upon and intended to benefit and burden each Lot, hereinafter defined.

ARTICLE I - DEFINITIONS

ARTICLE II - COVENANTS BINDING ON LAND AND OWNERS

2.01 Land Bound. From and after the date of recordation of this Declaration, the Land shall be subject to the Covenants, and the Covenants shall run with, be for the benefit of, bind and burden the Land.

2.02 Owners Bound. From and after the date of recordation of the Declaration, the Covenants shall be binding upon and inure to the benefit of the Declarant, each Owner, and the heirs, executors, administrators, personal representatives, successors and assigns of the Declarant and each Owner, whether or not so provided or otherwise mentioned in the Deed. Each Owner, his heirs, executors, administrators, personal representatives, successors and assigns, expressly agrees to pay, and to be personally liable for, the Assessments, provided for hereunder, and to be bound by all of the Covenants herein set forth.

2.03 General. No use shall be permitted on the Land which is not allowed under applicable public codes, ordinances and other laws either already adopted or as may be adopted by the City of Tyler, Texas or other controlling public authorities. Each Owner, occupant or other user of any portion of the Land, shall at all times comply with this Declaration and with any and all laws, ordinances, policies, rules regulations and orders of all federal, state, county and municipal governments or their agencies having jurisdictional control over the Land, specifically including, but not limited to, applicable zoning restrictions placed upon the Land as they exist from time to time. IN SOME INSTANCES GOVERNMENTAL REQUIREMENTS MAY BE MORE OR LESS RESTRICTIVE THAN THE PROVISIONS OF THIS DECLARATION. IN THE EVENT OF A CONFLICT OF EXISTS BETWEEN ANY SUCH GOVERNMENTAL REQUIREMENT AND ANY REQUIREMENT OF THIS DECLARATION, THE MOST RESTRICTIVE REQUIREMENT SHALL PREVAIL, EXCEPT IN CIRCUMSTANCES WHERE COMPLIANCE WITH A MORE RESTRICTIVE PROVISION OF THE DECLARATION WOULD RESULT IN A VIOLATION OF MANDATORY APPLICABLE GOVERNMENTAL REQUIREMENTS, IN WHICH EVENT THOSE GOVERNMENTAL REQUIREMENTS SHALL APPLY. COMPLIANCE WITH MANDATORY GOVERNMENTAL REQUIREMENTS WILL NOT RESULT IN THE BREACH OF THIS DECLARATION EVEN THOUGH SUCH COMPLIANCE MAY RESULT IN NON-COMPLIANCE WITH PROVISIONS OF THIS DECLARATION. WHERE A GOVERNMENTAL REQUIREMENT DOES NOT CLEARLY CONFLICT WITH THE PROVISIONS OF THIS DECLARATION BUT PERMITS ACTION THAT IS DIFFERENT FROM THAT REQUIRED BY THIS DECLARATION, THE PROVISIONS OF THIS DECLARATION SHALL PREVAIL AND CONTROL. All of the Land shall be developed in accordance with this Declaration as this Declaration may be amended or modified from time to time as herein provided.

ARTICLE III - IMPOSITION OF LIEN; OWNERS' AGREEMENT

3.01 Imposition of Assessment Lien and Priority of the Lien. THE OBLIGATION TO PAY ASSESSMENTS IN THE MANNER PROVIDED FOR IN ARTICLE V, AND TO PAY ANY OTHER CHARGES, OR ASSESSMENTS AS PROVIDED IN THIS DECLARATION, TOGETHER WITH INTEREST, COLLECTION COSTS, COURT COSTS, AND REASONABLE ATTORNEY'S FEES RELATED THERETO, SHALL BE AND IS HEREBY EXPRESSLY SECURED BY A CONTINUING CONTRACTUAL LIEN (THE "ASSESSMENT LIEN") AND CHARGE ON THE LOT COVERED BY SUCH

ASSESSMENTS OR OTHER CHARGES, WHICH SHALL BIND SUCH LOT AND THE OWNERS THEREOF AND THEIR HEIRS, SUCCESSORS, DEVISEES, PERSONAL REPRESENTATIVES AND ASSIGNEES. The aforesaid continuing contractual Assessment Lien shall attach to the Lots as of the date of the recording of this Declaration in the Official Public Records of Smith County, Texas, and such Assessment Lien shall be superior to all other liens except as provided in Section 4.03 of this Declaration. Either the Board or Master Association shall have the right to subordinate the aforesaid Assessment Lien to any other lien. The exercise of such right shall be entirely discretionary with the Board or the Master Association. Except for a conveyance to a purchaser at a foreclosure sale pursuant to a lien to which the Assessment Lien is subordinate as provided herein or in Section 4.03 hereof, all Lots are conveyed to, and accepted and held by, the Owner hereof subject to the Assessment Lien provided for in this Section 3.01. To evidence any unpaid Assessments, the Master Association may prepare a written notice of unpaid Assessments (the "Notice of Unpaid Assessments") setting forth the amount of the unpaid indebtedness, the name of the Owner of and describing the affected Lot. Such notice shall be signed by one (1) of the officers of the Master Association and may, at said Board's sole and exclusive discretion, be recorded in the Official Public Records of Smith County, Texas. The Master Association shall record an appropriate release of any recorded Notice of Unpaid Assessments which the amounts referenced therein have been paid. THE ASSESSMENT LIEN MAY BE ENFORCED BY FORECLOSURE OF THE ASSESSMENT LIEN UPON THE DEFAULTING OWNER'S LOT BY THE MASTER ASSOCIATION SUBSEQUENT TO THE RECORDING OF THE NOTICE OF UNPAID ASSESSMENTS EITHER BY JUDICIAL FORECLOSURE OR BY NONJUDICIAL FORECLOSURE THROUGH A PUBLIC SALE IN LIKE MANNER AS A MORTGAGE ON REAL PROPERTY IN ACCORDANCE WITH THE TEXAS PROPERTY CODE, AS SUCH MAY BE REVISED, AMENDED, SUPPLEMENTED OR REPLACED FROM TIME TO TIME. In addition, the Master Association may institute suit against the Owner personally to obtain a judgment for unpaid Assessments. Furthermore, the Master Association shall have such other rights and remedies as permitted or allowed by applicable law. In any foreclosure proceeding, whether judicial or nonjudicial, or in any suit or other action against, or pertaining to, the Owner, the Owner shall be required to pay all costs, expenses and reasonable attorneys' fees incurred by the Master Association. The Master Association shall have the right and power to buy the Lot at foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same, subject to any statutory right of redemption.

3.02 Owner's Agreement. Each Owner, owning a portion of the Land or of any Lot, for said Owner, and the Owner's heirs, executors, administrators, personal representatives, successors, and assigns, covenants and agrees:

- A. that the Owner acquires the Owner's Lot subject to the Assessments, and the Assessment Lien; and

- B. that by accepting a Deed to the Owner's Lot, the Owner is, shall be, and shall remain personally liable for any and all Assessments assessed against the said Owner's Lot while the said Owner is (or was) the Owner thereof, regardless of whether such covenants or agreements are expressed in such Deed and regardless of whether the said Owner signed the Deed; and
- C. that by accepting a Deed to the Owner's Lot and to secure the Owner's performance hereunder, the Owner conveys the Lot, and all portions thereof, to the Master Association, and its successors and assigns, in Trust, with a power of sale, and warrants and agrees to defend the title to the Lot, and all portions thereof. If the Owner pays all of the Assessments imposed against the Owner's Lot as provided herein, this conveyance in trust shall have no further effect. If the Owner fails to pay any of the Assessments imposed against the Owner's Lot, the Master Association in its capacity as trustee shall have the right to nonjudicially foreclose upon the Assessment Lien granted herein in accordance with and upon compliance with the provisions of the Texas Property Code, as the same may be amended or supplemented from time to time.

ARTICLE IV - ENFORCEMENT OF DECLARATION AND OF ASSESSMENT LIEN

4.01 Enforcement by Developer or Master Association. the Developer or the Master Association, acting either jointly or independently, shall each have the right, jointly or severally, but not the obligation, to enforce the provisions of this Declaration, including, but not limited to, enforcement of the Assessment Lien. Any Owner shall also have the right to enforce this Declaration at the said Owner's sole cost and expense by any appropriate action, whether at law or in equity. Neither the Developer nor the Master Association shall have any liability to any Owner or any other person or entity for failing or refusing to enforce this Declaration.

4.02 Enforcement Remedies. If the Owner of any Lot fails to pay any Assessments assessed, or to pay any interest accrued on any Assessments, or any and all costs (including court costs and attorneys' fees) incurred by either the Developer or the Master Association in collecting same, the Developer and/or the Master Association, as applicable, shall have the right to enforce the payment of the Assessments, and all interest accrued thereon and costs incurred by either the Developer or the Master Association in collecting same, and/or enforce the Assessment Lien by taking either or both of the following actions, concurrently or separately (and, by exercising either of the remedies hereinafter set forth, the Developer and the Master Association do not prejudice their exercise of any other remedy):

- A. bring an action at law and recover judgment against the Owner personally obligated to pay the Assessments;

- B. enforce the Assessment Lien against the Lot by any means available at law or in equity, including without limitation a nonjudicial foreclosure sale of the Lot, such sale to be conducted in the manner set forth in 51.022 of the Texas Property Code, as the same may be amended or supplemented from time to time. The Developer or any other Owner may be the purchaser at any such foreclosure sale.

4.03 Subordination of the Assessment Lien to First Mortgage or Deed of Trust. The Assessment Lien provided for herein shall be subordinate to any valid first mortgage lien (purchase money or improvement loan) held by, or deed of trust of which the beneficiary is, an institutional lender which is chartered (or licensed) by the United States or any state within, the United States. Sale or transfer of any Lot shall not affect the Assessment Lien, provided, however, that if the sale or transfer is pursuant to foreclosure of any such superior mortgage lien or deed of trust, or pursuant to any sale or proceeding in lieu thereof, the purchaser at the mortgage lien foreclosure or deed of trust sale, or any grantee taking by deed in lieu of foreclosure, shall take the Lot free of the Assessment Lien for all Maintenance Charges that have accrued up to the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure; but upon the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure, the Assessment Lien immediately shall become and remain superior to any and all other charges, liens, or encumbrances (except lien for taxes or other public charges which by applicable law are expressly made superior and except to the extent stated herein with respect to any subsequent first lien financing), and such mortgage or deed of trust foreclosure sale purchaser or grantee shall take the Lot or Land subject to all Maintenance Charges and Assessments, and the Assessment Lien therefor accruing subsequent to the date of issuance of a sheriff's or trustee's deed or deed given in lieu of foreclosure.

ARTICLE V - THE ASSOCIATION

5.01 Establishment. The Developer shall have the right to form the Master Association by the filing of the Certificate of Formation of the Master Association with the Secretary of State of the State of Texas. The Master Association has not been established on the date of the filing of this Declaration. The Master Association may be formed by the Declarant after the date on which this Declaration is recorded.

5.02 By-Laws. By-Laws for the Master Association will be established and adopted by the Board of the Master Association.

5.03 Membership. The Developer and each Owner of a Lot, including successive buyers, shall automatically and mandatorily become and be a Member of the Master Association. Membership shall be appurtenant to and shall not be separated from ownership of any Lot. Every Member shall have a right at all reasonable times during regular business hours of the Master Association to inspect the books and records of the Master Association.

5.04 Voting Rights. The Master Association shall have two (2) classes of membership to be designated as Class A and Class B.

- A. Class A Members shall be all owners with the exception of the Developer. A Class A Member shall not be entitled to vote until (i) the Developer initially sells all of the Land, or (ii) the Developer files a statement with the Master Association that the Developer will allow the Class A Members to vote. Once the Developer files the statement with the Master Association allowing Class A Members to vote, the statement may not be revoked by the Developer. Each Class A Member shall, once the Class A Members are entitled to vote, be entitled to one (1) vote for each individual Lot owner. When more than one person owns an interest in an individual Lot, all such persons shall be members of the Master Association, however, the one (1) vote voting right for such Lot shall be exercised collectively as the owners of the particular Lot shall between or among themselves determine.
- B. The Developer shall be the Class B Member for so long as it owns any of the Land which has not previously been conveyed by the Developer to an Owner. When any Lot is initially sold by the Developer, the Class B membership with respect to such Lot shall cease and automatically become and be a Class A membership. Unless the Developer files the statement with the Master Association referred to in Section 5.04(A) above, allowing Class A Members to vote, for so long as the Developer owns any Class B membership, the Developer shall be the only Member of the Master Association entitled to vote.
- C. Once the Class A Members are entitled to vote, whether by sale by the Developer of all of the Developer's Lots or by the Developer's filing the statement with the Master Association allowing the Class A Members to vote, the Class B Member shall no longer be entitled to vote as a Member of the Master Association.

5.05 Board of Directors. The Board of the Master Association shall be elected by the Members as provided in the By-Laws. The Board shall conduct the business of the Master Association, except when a membership vote is required by this Declaration, the Certificate of Formation, or the By-Laws.

5.06 Assessments. The development of the Land shall be accomplished in various phases (sometimes referred to as "multiple phases"). Within each phase of the development there shall be individual subdivisions developed, each subdivision to be governed by its own restrictions and the owners of lots within a particular subdivision shall be part of a Subdivision Association existing only for the purpose of said specific subdivision. The Master Association addressed under this Declaration shall govern the Master Common Area Property which property is common to the overall development of

THE CROSSING, it being understood and recognized that there will be other common areas located within each anticipated subdivision which will not be in common with all of the Owners of the Land, said other common areas being referenced in this Declaration as Subdivision Common Area Property. Each Lot is hereby subject to annual and special Master Common Area Property charges and assessments for the purpose of creating a fund to be used for the development, maintenance and care of the Master Common Area Property. It is Developer's intent that such annual and special Master Common Area Property charges and assessments shall be as determined by the Board of the Master Association, and such annual and special Master Common Area Property charges and assessments shall be paid by each Subdivision Association within THE CROSSING in accordance with the procedures that shall be adopted from time to time by the Board of the Master Association. It is further anticipated that such Master Common Area Property charges and assessments shall be assessed as to each Subdivision Association on a formula based upon the number of acres within a specific subdivision as it relates to the overall Land. Specifically, Developer shall, during January of each year, determine the specific assessments of Master Common Area Property charges and assessments on each developed subdivision based on a formula of acreage within a subdivision as it relates to subdivisions developed to date (deemed to have occurred when plat of a subdivision is filed of record in the land records of Smith County, Texas). The annual Master Common Area Property charges and assessments shall be used for development, upkeep, repair and maintenance of the Master Common Area Property. The special charges and assessments shall be used only for the purpose for which they are assessed by the Board of the Master Association which must be related to the development and maintenance of the Master Common Area Property. It is further anticipated that an individual Owner of a Lot shall be paying charges and assessments to the Subdivision Association created for the purpose of governing the Subdivision Common Area Property as to the specific subdivision, and thus the Subdivision Association governing said specific subdivision shall be collecting charges and assessments attributable to the development, upkeep, repair and maintenance of the Subdivision Common Area Property within the specific subdivision and also such subdivision's portion of the Master Common Area Property charges and assessments addressed herein. If an Owner shall own more than one (1) Lot, the Owner shall be responsible for paying the full Master Common Area Property charges and assessments and the full special assessment for each Lot owned by the Owner.

5.07 Conflicts. The Master Association may make whatever rules, regulations and By-Laws it deems necessary or desirable to govern the Master Association and its Members; provided, however, that any conflict between the Master Association's rules, regulations and By-Laws and the provisions of this Declaration shall be controlled by and resolved in favor of this Declaration.

ARTICLE VI - TERMS; AMENDMENTS; TERMINATIONS

6.01 Term; Method of Termination. This Declaration and the Covenants shall be effective upon the date of recordation hereof and, as may be amended from time to time, shall continue in full force and effect to and including December 31, 2037. From and after December 31, 2037, this Declaration, as it may have been amended, shall be automatically extended for successive periods of ten (10) years each, unless there is an affirmative vote to terminate this Declaration by at least a simple majority of the Owners (there being only one vote per Lot which shall be exercised collectively by any multiple Owners of interests in any one Lot as they may among themselves determine) casting their votes for termination at a meeting of the Owners held for such purpose within six (6) months prior to the expiration of the initial effective period hereof for any ten (10) year extension.

6.02 Amendments. Until the later of (i) the date on which the Developer shall have initially sold all of the Land, such sales being evidenced by the recording of a Deed from the Developer to the initial buyer of a Lot or other portion or parcel of the Land, or (ii) December 31, 2011, the Developer shall have the right to unilaterally change or amend this Declaration at any time, in any manner, and for any reason or purpose as determined at the sole discretion of the Developer. After all of the Land has been initially sold by Developer, this Declaration may be amended or changed in whole or in part at any time only by the affirmative vote of the then Owners of at least seventy-five percent (75%) of the Lots (each Owner having one vote per Lot owned which shall be exercised collectively by any multiple owners of interests in any one Lot as they may among themselves determine) casting their votes to amend or change this Declaration at a special meeting of the Owners called pursuant to Section 6.03.

6.03 Election Procedures. The affirmative votes required under Sections 6.01 and 6.02 hereof shall be obtained and evidenced by the requisite vote of the Owners present at a meeting of the Owners duly called by at least twenty-five percent (25%) of the Owners or by the Developer pursuant to notice to all of the Owners on or prior to ten (10) days before the date of the meeting at which meeting the requisite percentage of Owners vote to so amend or terminate this Declaration. No proxy votes shall be allowed or valid. The notice of the meeting must set forth the proposal as to amendment of this Declaration and such affirmative vote of the requisite percentage of Owners must be evidenced by minutes of the meeting duly certified by the Owners who called the meeting or the Developer. In any event, as long as the Developer owns a Lot, a copy of the minutes shall be delivered to the Developer prior to any amendment or change becoming effective.

6.04 Recording Amendments. Upon the amendment or change of this Declaration (and/or the Covenants contained herein) as herein provided, and upon the other conditions set forth in Section 6.01 and Section 6.03 of this Article VI having been satisfied, then each amendment shall be executed by (i) the Developer, its successors or assigns, or (ii) the Owners who voted in favor of the amendment or change, as applicable,

placed in recordable form, and filed of record in the Official Public Records of Smith County, Texas, accompanied by a statement that either (i) the Developer, or (ii) the requisite percentage of Owners, have voted to make such amendment to this Declaration.

6.05 Effect. Upon the filing of an amendment or change in accordance with Section 6.04, this Declaration and the Covenants, as amended, shall remain in full force and effect.

6.06 Other Right of Amendment. Anything in this Article to the contrary notwithstanding, Declarant and/or Developer, their successors and assigns, reserve the right at any time prior to the initial sale of all of the Lots to amend all or any part of this Declaration to such an extent and with such language as may be required by any federal, state, or local agency which requires such an amendment as a condition precedent to such agency's approval of this Declaration, or by any federally chartered lending institution as a condition precedent to lending funds upon the security of the Land or any portion thereon. Any such amendment shall be effected by the recordation, by Declarant and/or Developer, their successors or assigns, of a Certificate of Amendment signed by Declarant and/or Developer, their successors or assigns, with proper signature acknowledged, specifying the federal, state, or local governmental agency or the federally chartered lending institution requiring the amendment and setting forth the amendatory language required by such agency or institution. Recordation of such a Certificate shall be deemed conclusive proof of the agency's or institution's requirement for such an amendment, and such Certificate, when recorded, shall be binding upon the Land, or the affected portion thereof, and all persons or Owners having an interest in the same. Except as provided in Section 6.02 and Section 6.06 of this Declaration, Declarant and/or Developer shall not have any right to unilaterally amend this Declaration.

ARTICLE VII - RESERVATION OF RIGHT TO RESUBDIVIDE

Subject to the approval of any and all appropriate governmental agencies having jurisdiction over the THE CROSSING or any Lot, Declarant and/or Developer hereby reserve the right at any time while it is the Owner thereof to subdivide or resubdivide, as the case may be, and/or replat, as the case may be, all or any portion of the Land then owned by Declarant and/or Developer without the consent of any Owner.

ARTICLE VIII - MISCELLANEOUS

8.01 Interpretation of Covenants. Except for judicial construction, until the Master Association is incorporated, the Declarant and/or Developer shall have the sole and exclusive right and power to construe and interpret the provisions of this Declaration. Once the Master Association is formed, its Board shall have the exclusive right and power to construe and interpret the provisions of this Declaration. In the absence of any adjudication to the contrary by a Court of competent jurisdiction, the Declarant's and/or Developer's or the Master Association board's construction or interpretation of the

provisions hereof, as applicable, shall be final, conclusive, and binding as to all persons and property benefitted or bound by this Declaration and the provisions hereof.

8.02 Severability. Any determination by any court of competent jurisdiction that any provision of this Declaration is invalid or unenforceable shall not affect the validity or enforceability of any of the other remaining provisions hereof, which remaining provision shall be and remain in full force and effect.

8.03 Rule Against Perpetuities. If any interest purported to be created by this Declaration is challenged under the Rule Against Perpetuities or any related rule, the interest shall be construed as becoming void and of no effect as of the end of the applicable period of perpetuities computed from the date when the period of perpetuities starts to run on the challenged interest; the “lives in being” for computing the period of perpetuities shall be (a) those which would be used in determining the validity of the challenged interest, plus (b) if applicable, those of the issue of Developer who are living at the time the period of perpetuities starts to run on the challenged interest.

8.04 Change of Circumstances. Except as otherwise expressly provided in this Declaration, no change of conditions or circumstances shall operate to extinguish, terminate, or modify any of the provisions of this Declaration.

8.05 Rules and Regulations.
